

OPEN MULTIPLE LISTINGS IN SHOWINGTIME

On a search results screen, select multiple listings then click the new **ShowingCart** link at the top of the page to open them in ShowingTime.

If no listings are selected and you click the **ShowingCart** icon, the highlighted listing will be sent to ShowingTime.

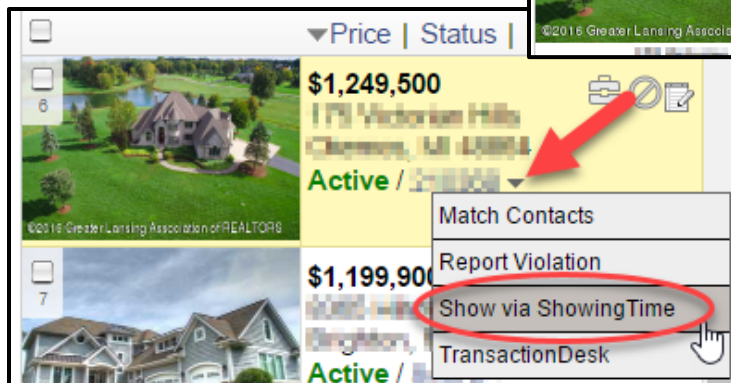

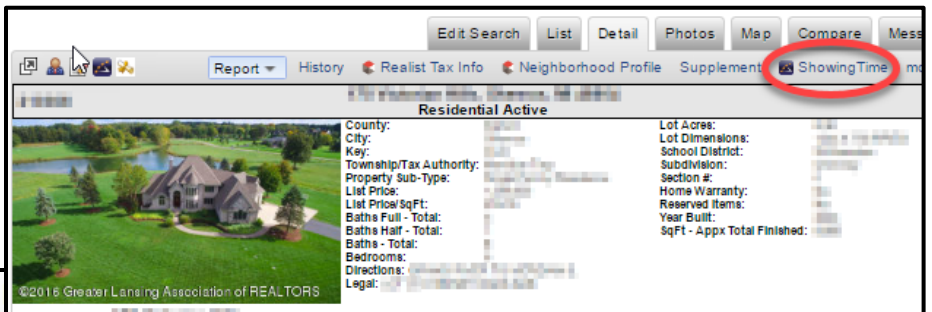

OPEN A SINGLE LISTING IN SHOWINGTIME

There are three ways to send a single listing to ShowingTime: using the ShowingTime icon on any search results tab, from the Detail tab, and from a list of search results.

When viewing listings on any tab, click the **ShowingTime** icon to send the current listing (highlighted in yellow) to ShowingTime. Please note, you *do not* need to place a check mark next to the listing in order to send it.

On the Detail tab, click the **ShowingTime** link to send the listing. Please note, you *do not* need to place a check mark next to the listing in order to send it to ShowingTime.

In the search results list, click the drop-down arrow next to the MLS #, then select the **Show via ShowingTime** option. Please note, you *do not* need to place a check mark next to the listing in order to send it to ShowingTime.
