

Full-featured showing management for offices/agents:

- ✓ Generates more showing feedback by giving agents enhanced tools to customize questions; includes a listing photo & company logo (included with the Appointment Center; an upgrade to ShowingDesk)
- ✓ Automatically sends price reduction emails - when price changes by 1% - to agents who have shown your listing in past 180 days
- ✓ Manages all showing requests including inbound calls, online appointments made through ShowingAssist, etc.
- ✓ Markets your company to showing agents and homeowners with branded showing confirmations & notifications
- ✓ Generates additional reports including an enhanced version of the Listing Activity Report with graphs and other resources
- ✓ Automated calls by ShowingVoice reduce outbound calls made at the front desk
- ✓ 2-way text messaging for quick showing confirmations
- ✓ Reduces the work required to schedule, confirm and manage showings and feedback
- ✓ Synchronizes with your MLS every 15 minutes
- ✓ Emails sellers when there is a new confirmed showing, plus gives them 24/7 access to their own activity website
- ✓ Shares feedback with sellers, making it easier to discuss price reductions to sell the listing faster
- ✓ Listing photos upload automatically from your MLS and appear on listing reports, confirmation emails and feedback request emails

Online showing appointment scheduling for MLS members:

- ✓ Enables showing agents to request showings through the MLS by clicking the "Schedule a Showing" button
- ✓ Reduces phone calls to request and confirm showing appointments
- ✓ Communicates showing instructions on vacant listings
- ✓ Notifies listing representatives when a showing agent clicks the "Schedule a Showing" button
- ✓ 2-way text messaging for quick showing confirmations
- ✓ Sends a feedback request email after showings that includes listing agent's photo, with a text box for showing agents to provide feedback
- ✓ Synchronizes with your MLS every 15 minutes
- ✓ Emails sellers when there is a new confirmed showing, plus gives them 24/7 access to their own activity website
- ✓ Listing photos upload automatically from your MLS and appear on listing reports and request/confirmation emails
